Page	Text
1	This is Alli Ugruk. He lives on the ice near Kotzebue. He is very happy. He likes his home.
2	These are Alli's friends. Here is Herman. He has a spot over one eye. Here is Sam. He has very long whiskers.
3	"Come and play with us, Alli. Let's chase the fish! Let's play tag! Let's look for things that are new! Let's go!"
4	"I'm coming!" called Alli. He slid off the ice. He swam through the water. The water was cold. It felt good. Alli was happy.
5	Alli and Sam and Herman chased fish. They chased arctic cod. They chased arctic char. They chased pink salmon. The fish did not want to play. They said, "Go away, Alli. Go away, Herman. Go away, Sam."
6	Herman chased Sam. Alli chased Herman. Alli and Sam and Herman saw a crab. It was a tanner crab. The tanner crab said, "Go away. I don't want to play." "We will go away now. We will come back later and eat you," said the three ugruks. They laughed. The crab didn't laugh. He didn't think Alli and Sam and Herman were funny.
7	A big ice berg was close by. "Let's swim

under the ice berg," said Herman.

The friends dived. They went down under the ice berg. They turned over and swam on their backs.

"There's nothing under here. All I see is ice with holes in it," said Sam.

"Ouch!" said Alli. "Let's get out of here."

8 "Come on!" cried Herman. "Let's go look at the shore."

"How far is it?" asked Alli.

The three ugruks tried to jump out of the water. They were looking for the land.

"There it is," said Sam. "It's not far away."

9 "Let's have a race," said Alli.

Sam swam fast. They all reached the shore together.

Herman said, "I see some sand. I see some grass. The shore is no fun. Let's go. Let's go and look for clams."

10 "Wait," said Sam. "I see something. I see a fish with long legs."

Alli laughed. He said, "That's not a fish. It has no scales. It can't be a fish."

"What do you think it is?" said Sam.

11 "I think it is a small whale. It has something growing on its head," said Alli.

"No," laughed Herman. "You are wrong. It can't be a whale. It isn't in the water."

"What do you think it is?" said Alli.

12 "I think it is a bird with four legs," said Herman.

"You are funny," said Alli and Sam. "That is not a bird. It has no feathers."

"Let's ask that thing what it is," said Herman.

13 "Hey, you there," they called. "What are you?"

"I am a caribou. I come here every summer. I like to eat the nice grass."

"Grass? You eat grass?"

"Yes, I do," said the caribou.

"We eat fish and crabs and clams," said Alli.

14 "Come out of the water," said the caribou."

"No," said the ugruks.

"Come out of the water. Come and play," said the caribou.

"No," said the ugruks. "We don't have any legs. We can't run. We can't play with you."

"Oh!" said the caribou. "I thought you had legs."

The three friends laughed. "Ugruks don't have legs."

15 "I don't think that you can fly either," said the caribou. "Your wings are too small."

The three friends laughed. They said, "These aren't wings. They are flippers. Ugruks don't have wings."

"What do you do with flippers?" asked the caribou.

"Flippers help us swim," said the ugruks and off they went.

16 "Aren't they funny?" said the caribou. "They live in the cold water. They eat fish and crabs and clams. They have no legs. I'm glad that I'm not an ugruk."

17 Alli laughed. Sam laughed. Herman laughed. "The caribou was funny," said Sam. "It has long legs. It eats grass. I'm glad I'm not a caribou."

"Me, too," said Herman.

"I'm glad that I'm an ugruk," said Alli.

18 The sun moved around the sky. It was time to go home. Herman was tired. Alli was tired. Sam was tired. They swam slowly.

19 The tanner crab sat on the ocean floor. He called, "Alli! Sam! Herman! Are you coming to eat me?"

"No," called Alli.

"No," called Sam.

"No," called Herman.

"We don't have time to eat you now."

The crab laughed. He went on his way.

20 "Where have you been, ugruks," called the arctic char.

"Where have you been, ugruks," called the arctic cod.

"Where have you been, ugruks," called the pink salmon.

"Come and play with us!"

"We don't have time to play with you."

The fish laughed. They went on their way.

21 Here is Herman's house. Here is Herman's mother.

"Supper is ready, Herman. Come and eat," said Herman's mother.

"Good bye, Herman. We'll see you tomorrow," said Sam and Alli.

22 Here is Sam's house. Here is Sam's mother.
"Come, Sam. Your supper is ready," said Sam's mother.
"Goodbye, Sam," said Alli. "I'll see you tomorrow."

23 Here is Alli's house. Here is Alli's mother.
"Hello, Alli. I'm happy you are home. What did you do today?"
"I played with Sam and Herman. We saw a caribou."

24 "Mother, did you know caribou eat grass? They don't eat crabs. They don't eat clams. They don't eat fish. I'm glad that I'm not a caribou."

25 "I'm glad you're not a caribou, too," said Alli's mother.
She put Alli to bed. She kissed Alli goodnight.
Alli was very happy. He was happy to be an ugruk. He was happy he lived on the ice hear Kotzebue. Alli was the happiest ugruk in the whole world.
